1. The following is an examiner's statement of reasons for allowance: the prior art of record failed to teach or suggest transmitting a request packet to a first node by a topology manager node, the request packet specifying that the first node is to identify itself; receiving the request packet by the first node; transmitting a first identity packet by the first node in response to the request, the first identity packet specifying a bus address of the first node; receiving the first identity packet by the topology manager node; and identifying a location of the first node in the interconnect by the topology manager.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The cited prior art by applicant has been placed on PTO-892, and a copy is being transmitted with this action for applicant's record.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Larry D Donaghue whose telephone number is 571-272-3962. The examiner can normally be reached on M-F 8:00-5:00.
